- Non-corrosive stainless steel exterior provides durability & long life. Easy to clean, too!
 - Stainless steel evaporator means no plating or plastic components to chip, crack or fail. **5 YEAR PARTS & LABOR WARRANTY!**
 - Compartmentalized design – Wet areas stay wet, dry areas stay dry. Provides an energy efficient operation and longer life.
 - Hoshizaki's EverCheck System - Sounds audible alarm when the machine needs to be serviced. Prevents service calls outside of warranty = \$\$\$ Savings.
 - Cycle Saver - Eliminates excessive wear and tear on the components.
 - No Adjustments = \$\$\$ Savings = Service company does not have to start machine.
- * Adjustments are not covered by factory warranty.
